Conclusion

The year 2025–2026 has been a remarkable journey of accomplishments and growth. The collective efforts of our dedicated management, dynamic teaching faculty, partial supportive parents, and enthusiastic students have contributed immensely to the school's progress. We look forward to another year of excellence, innovation, and holistic education.

On behalf of the management, staff, students, and parents of Baqhers Public School, I take this proud moment to express our sincere gratitude to our Stupendous **President Sir**, whose visionary leadership, unwavering commitment, and constant

encouragement have been the guiding force behind the steady growth and excellence of our institution. His foresight and dedication continue to inspire us to strive for higher standards in academics and values.

I also extend our heartfelt thanks to our esteemed **Secretary Sir**, whose tireless efforts, meticulous planning, and administrative efficiency have played a pivotal role in the smooth functioning of the school. His support and guidance have always strengthened our mission to provide quality education and holistic development to our students.

We are deeply grateful to both our President sir and Secretary sir for their invaluable contributions, continued support, and steadfast belief in our institution.

"Together we learn, together we grow, and together we achieve success."

Thank you so much to all
